

# Chat Overview

[« Guide « Previous](#)

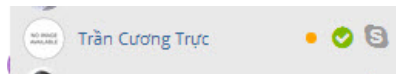

## 1. Team member list overview:

To view your team member list, click on a conversation icon. The list of team members will appears.

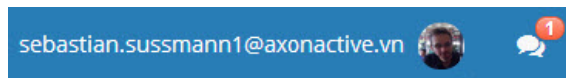

The screenshot displays the 'my agile' application interface. At the top, there's a navigation bar with tabs for 'My Team', 'My Project', 'Backlog', 'Sprint', 'Meeting', and 'Help'. The 'My Team' tab is active. Below the navigation bar, there are dropdown menus for 'Select Project: My Agile' and 'Select Team: Ant'. The main content area is divided into three sections: 'Product Backlog', 'Sprint Backlog', and 'Impediment Backlog'. The 'Product Backlog' section shows a list of tasks with checkboxes for 'Todo', 'In-progress', 'Done', and 'Void'. The 'Sprint Backlog' section shows 'Sprint 10' and a 'Choose Date' dropdown set to '10/30/2013'. Below this is a 'Burndown Charts' section with a line graph showing 'Points' on the left y-axis and 'Stories/Bugs' on the right y-axis. The 'Impediment Backlog' section shows a list of issues with titles like '#2010. Nguyễn Quốc Huy' and '#1402. Nguyễn Quốc Huy'. On the right side of the interface, there is a 'Search friends...' search bar and a list of team members with their avatars and names.

In this list, it contains your all your teammate that you are currently working with.

## 2. Icon explain

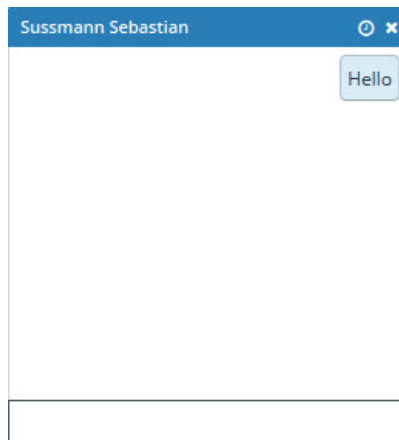

The red icon contains the number of unread conversation.

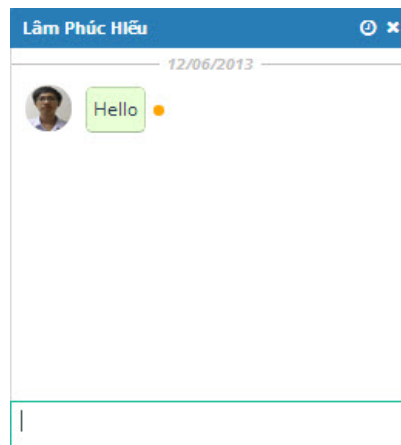

The orange dot notifies unread message from specific user. The icon in the middle notifies the status of user whenever he/she logged in system or not. The last icon is for notifying Skype online status.

## 3. Chat box

To start the conversation, click on the middle icon, the chat box will show up.

The orange icon shows that the message has not read yet. To mark the message is read, user has to focus on text box and the message will be automatically marked as read.

More than that, the user can choose to show messages by period of time.
