## 1. Create project

In "My Project" tab, click the "New Project" button

Fill in the form information and upload your project logo by clicking on "Choose Logo" button

The screenshot shows the 'Create Project' form. It includes fields for 'Project Name' (filled with 'My Agile'), 'Description' (with placeholder text 'Manage human resources, team, project etc...'), a 'Public' checkbox (checked), and a 'Team' dropdown menu (set to 'Teams'). There is a 'Choose Logo' button and 'Save' and 'Cancel' buttons. Below the form is a table with columns: Logo, Name, Product Owner, Teams, Delete. The table is currently empty, showing 'No projects found'.
